

The Countryside School Council Needs Your Help!

As we begin to formulate our new School Improvement Plan, we'd like to reach out to the Countryside community for your feedback. Please take a moment to think about the two goals below and give us your opinion of what the school can reasonably do to meet these goals. It can be sent electronically to Dr. Ostrower at Emily_Ostrower@newton.k12.ma.us We thank you for your time.

Goal 1: To ensure academic excellence and innovation for ALL students.

What steps can we take to achieve this goal?

Goal 2: To ensure a respectful, safe, and vibrant school environment in which students are responsible citizens.

What steps can we take to achieve this goal?

If you could generate a third goal, what would it be?

What steps can we take to achieve this goal?
